RAVI KANCULAKUNTA

SR. APPLICATION DEVELOPER

PROFESSIONAL SUMMARY

I am a Sr Front End Developer with 8 years experience, making meaningful contributions to teams of varying size and scope . I have proven experience at General Motors, Cardinal Health , Sally Beauty, Northern Trust in helping companies create and maintain better code base for reusability. Capable of learning from Project Leads and architects while still nurturing Junior developers. Experience in driving projects forward as the development team leader, facilitating projects from concept to launch. Passionate about learning and development with desire to apply skills on a larger development team. Eager to tackle more complex problems and continue to find ways to maximize user efficiency.
